TABLE TENNIS

Our small group is getting larger! This is not a problem, as we can expand the time. Meeting afterwards in the Stag is part of the fun. You can come as often or as infrequently as you like and you don't need to worry that you will be among experts - you won't, although people's standards do improve quite quickly once they start to want to win!

The village hall is open from 6.30 - 8.00 pm every Tuesday for all comers. Membership fees are £2 per person per session; just come along and you will be welcomed, as well as having a chance to meet new people.

BUCKS HISTORIC CHURCHES TRUST RIDE & STRIDE

St. Mary's Church will be open for participants of this annual event to register their visit and to replenish their reserves with a refreshing drink and a biscuit. Saturday 9th September. Please contact Penny Hibbert (01296 660416) for more information.

"MINDFULNESS FOR BETTER HEALTH" DAY

Quietly, local people are leading the world in research on using mindfulness meditation, very gentle yoga and biomedical testing to improve all sorts of health challenges - including memory-related conditions, struggling with body-size and anxiety.

Come along to the Village Hall at 10 am on Saturday, 23rd September for a brief chat about what this might mean for you. Stay afterwards for a bit of meditation and a light lunch - or feel free to leave if it isn't for you. This is an opportunity to be a bit nosy about things that could make you healthier, without a drop of guilt!

Mentmore has a little core of experienced, friendly mindfulness meditators who will make you welcome whether or not you have tried yoga or mindfulness before.

PARISH HISTORY EXHIBITION

To mark the completion of the building extensions made to the village hall a photographic exhibition is to be held on **Saturday 30th September** and **Sunday 1st October from 10 am** to 5 pm in Mentmore Village Hall.

The exhibition will tell stories and interesting facts about the people who lived and grew up in the villages - a stroll down memory lane for some and an amazing insight for others. The exhibition presents some of the earliest history of the area using maps and illustrations and the later times using photographs, oral history interviews and slide shows. The village hall will be filled with exhibits and artefacts from different periods. If you have a story to tell or information that you think might be of interest please bring it along to the exhibition or visit our Facebook page (Mentmore Parish History with Photographs and Stories) to get a feel of some of the things we are discovering about this fascinating place.

Entry to the exhibition is free, but there will be tea, coffee and a selection of home-made cakes on sale in the new kitchen.

For more information please contact **Diane Armson** (01296 661141 or 07745928698).

St. Mary's Harvest Festival Service will take place in the church on *Sunday 1st October* at *11.30* am and will be followed by a bring and share luncheon. All parishioners are welcome.

PARISH COUNCIL

Meeting dates – Wednesday 4th October (8pm), Wednesday 6th December (8pm) in the

another day around that date, as I know the date will not be possible for everyone. Hi-viz jackets, litter-pickers and bags supplied.

Any fly-tipping should be reported to AVDC - you will find a link on the Parish Council website. It makes such a difference, so please do join us! For more details please contact Liz Dack (elizadack@outlook.com).

NEWS FROM ST. MARY'S CHURCH

PARISH OF CHEDDINGTON WITH MENTMORE

I am hugely grateful for the support of villagers for the church in so many ways, not least the amazing Arts Festival and the forthcoming Fete and Barn Dance on 16th September, which I am very much looking forward to!

St Mary's, Mentmore and St Giles, Cheddington are two churches in one Parish, and we welcome families from Mentmore, Crafton and Ledburn to **Messy Church**, held in Cheddington Methodist Church (on the Green) between 3.30 – 5.00. Crafts, games, singing and Bible story followed by afternoon tea for all the family make for a happy time. Children must bring an adult with them! Dates are: **24**th **September**, **22**nd **October**, **26**th **November**.

For young people of secondary school age we have a youth group called GLU which also meets at the Methodist Church on Saturday evenings, 7-8.30 pm. 23rd September, other dates tbd.

Following another wonderful Arts Festival – what a great team put it all together - on 17th July St Mary's hosted the second Creative Arts Retreat, for a day. The focus was on "Circles of Community"; and there were 8 participants. The church and churchyard offer beautiful spacious surroundings for such an event, and it would be good to develop this sort of opportunity.

SERVICES

St Mary's Harvest Festival will be on **Sunday 1**st **October** at 11.30 a.m., followed by a bring and share lunch, and we welcome all villagers to the service.

Remembrance Sunday - the service on 12th November at St Mary's will begin at 10.00 a.m.

On **26th November** there is a **Cottesloe Team Eucharist** at St Michael's Church, Stewkley; all the 8 churches in the Benefice join together for worship on that day, and the team clergy share the leading and preaching. The service begins at 10.00 a.m.

Finally **St Mary's 9 Lessons and Carols** will be at 5.00 pm on **Sunday 10th December** with the renowned Cheddington Festival Choir, followed by seasonal refreshments.

For enquiries or more information about any of the above, please contact the vicar, Rev Gill Rowell gillrowell@tiscali.co.uk or 01296 708680.

FOOTPATH WALK - MEN/1/1

The start of route MEN/1/1 is in the centre of Ledburn at Kissing Gate Barn, opposite Leyburne Close, and will take approximately an hour to walk (½hour each way).

The paths are generally well marked, though can be partially hidden by foliage at this time of year, and the stiles are sturdy. Follow the sign over the stile and through the field, bearing slightly to the left towards the far left hand corner, passing through a metal barrier type gate where the field is divided off. There is a stile in the corner leading to some rough ground. Keep going forward through two gaps in the hedging to a field. The path continues straight over the field, bearing slightly to the left. A way marking

sign is visible on the other side which may be important if you walk the path when the field has been recently ploughed. At this point, the path turns sharply to the right through leafy growth to cross a bridge over the stream known as Thistlebrook which runs behind the village. The stream marks the parish boundary with Wing, designated as WIN/2A/1.

Looking diagonally left from the bridge, you will see a line of three mature oak trees. Walk across the grass aiming for the middle tree to the edge of the wheat field. The path through the field is clear and easy to walk though may be less so if the field has just been ploughed. In that case, you may be faced with a struggle through mud and over uneven ground. Look to the right to see Ascott House, and then a glimpse of the gardens.

As you reach the other side of this large field, a short digression into the copse on your left takes you to a small memorial area discreetly situated under the shelter of the trees. Back on the path, go through another kissing gate (sometimes muddy) and continuing in the same direction across the

corner of the next field, pass through a final kissing gate a few yards away to find yourself in Well Lane. This field may contain livestock.

Turn right up the road and after about 75 yards, turn off left into the field on the opposite side of the road, as indicated by the footpath sign. At this point, you will have been walking for about 20 minutes. Choose the downward path (WIN/1/3) left along the inside of the hedge and parallel with the road along 3 fields and until the path ends after a small tree plantation on your right. You are signed back through the hedge and onto the road at a bridge over Thistlebrook. Here you can continue walking down Well Lane until its junction with the road back into Ledburn where you turn left to arrive at your starting point in approximately 10 minutes. More safely, return the way you have come, avoiding the busier road back into the village.

For a longer walk, when you initially reach Well Lane and follow the footpath sign into the field, take the path that leads straight on and slightly uphill. There is a superb view across to Mentmore as you reach the top of the rise. Following way-marking signs (about ½ an hour) will bring you into Wing where with judicious timing you might find refreshment.

THANK YOU!

Hello from Horses Helping People, your local therapeutic horsemanship centre! There's lots going on here but, as we are tucked away between Mentmore and Ledburn, a lot of people don't realise we are here, or what we do, so we thought it was time to introduce ourselves.

Horses Helping People is run by Dave Johnson, Debbie La-Haye and their son Morgan, with the help of volunteers. The aim of our centre is to improve life for children and adults that are facing challenges in their lives, by providing the opportunity to spend time with the horses in a natural

environment. That might involve taking part in activities (like grooming and leading the horses) that increase confidence and self esteem, or relaxing in a safe peaceful sanctuary, leaving behind the stresses of daily life and recharging batteries.

We have 9 beautiful horses and ponies who take part in the sessions. Each horse has their own personality and preferences – some horses nurture people that are nervous, others are patient with people with learning disabilities, and some make people happy with their cheeky antics!

Our participants include Young Carers, Macintyre School, Pebblebrook School, homeless support organisations, people with mental health issues, dementia and autism to name just a few.

Of course, horses are expensive. One of our ongoing challenges is to keep the centre sustainable while making sure sessions are affordable. There is a cost attached to every session we run but, as a not for profit community interest company, we are able to apply for some grants to provide free or subsidised sessions for people on low income.

We are here for the benefit of people in our community, so if there is somebody you know who you think could benefit, please do get in touch either by email <u>info@horseshelpingpeople.co.uk</u> or call 01525 377688. Visits to the farm are by appointment only to protect the privacy of our clients.

In future newsletters we'll let you know more about what's going on here. Meanwhile, you can find out more about us on our website www.horseshelpingpeople.co.uk and follow us on our Facebook pages 'Horses Helping People CIC', 'Dementia activities at Horses Helping People' and 'Mindfulness at Horses Helping People'.

We'll have a stand at the village fete, so please do come and say hello!

Congratulations to Clare and Simon Butler of Mentmore, on the birth of William on 21st April 2017
